General Meeting Agenda November 5, 2019**
Willowbranch Library, 2875 Park St, Jacksonville, FL 32205
ixia.fnpschapters.org

6:30 CALL THE MEETING TO ORDER- Cate Hurlbut

BUSINESS MEETING

- Approval of Minutes – Cate
- Announcements
 - 2020 FNPS statewide conference planning - Cate
 - Ixia Plant Sale at Native Park in April - Cate
 - TLC Day at Native Park – Larry Romaine.

PROGRAM

Terry Zinn, chair of Florida Wildflower Foundation will talk about "Easy Wildflowers to Grow". In addition to describing wildflower species that are easy to grow, he will discuss techniques for successful planting, harvesting and storage of wildflower seed.

Terry Zinn grows wildflower seed in a small farm in Alachua County, producing seeds of 30 native wildflowers. A founding member of the Florida Wildflower Coop, he is also on the Board of Directors of the Florida Wildflower Foundation.

For more information, check out the Florida Wildflower Foundation <https://flawildflowers.org/>.

Start with 20 Easy Wildflowers

Download a free copy of “20 Easy-to-Grow Wildflowers” at <https://flawildflowers.org/planting/>. The 24-page magazine features a selection of 20 “tried and true” wildflowers that are easy to grow and maintain. And, with interest in supporting our beleaguered bees, butterflies and wildlife at an all-time high, readers will find that the selected plants excel at providing nectar, pollen and habitat.

ADJOURNMENT

Save the Date

TLC Saturdays at Native Park Monthly maintenance at Native Park from 8:30-11:30am. Come and join the group working in the park for an hour or two and learn about native plants and what will work best in your yard.

- Nov. 9
- Dec. 7
- Jan. 11

General Meetings

No meeting in December

Jan. 7th, 2020. Scott Davis, Monarch Milkweed Initiative at St. Marks National Wildlife Refuge. Read about Scott and the project at <https://www.fws.gov/nwrs/threecolumn.aspx?id=2147588789> Short video of project. <https://wfsu.org/local-routes/2019-03-14/st-marks-refuge-monarch-milkweed-initiative/>
